## Parking & Directions

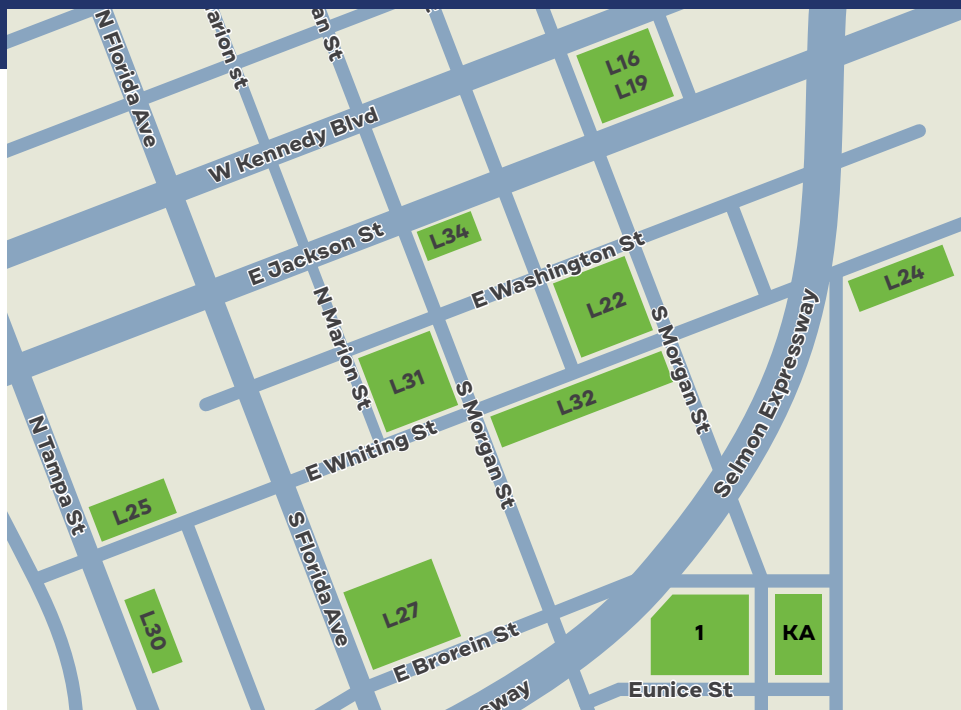

717 Parking Enterprises and the Accardi family has generously donated its parking lots to support Miles for Moffitt and our mission to fund cancer research. For this special event, all parking fees collected through the 717 or Park Mobile app will go directly to help Miles for Moffitt. We encourage all participants to park in these 717 lots first to contribute to this important cause.

This initiative is especially meaningful to the Accardi family. John Accardi says “It’s important to support organizations that make a real difference in the fight against cancer. Through this effort, we hope to help others on their path to healing and recovery”. Thank you for your support and for choosing to park with 717 as we work together to make a difference!
